

Directions to Bristol Vet School.

From the North

From the M5 motorway, leave at Junction 21, taking the A370 sign posted to Bristol. In Congresbury turn right at the first set of traffic lights and follow the road (B3133) signposted to Cheddar and Churchill. The entrance to the Langford Veterinary Services is about 3 miles on the left. Report to the security gate who will direct you to the appropriate building.

From the South

From the M5 motorway, leave at Junction 22, taking the A38 to Bristol Airport. Pass through Churchill and turn left towards the B3133 sign posted Lower Langford and Congresbury immediately before the Esso garage and Budgens. Take the first exit onto the B3133 and the entrance to Langford Veterinary Services is about 500 yards on your right.

Once you enter the site, the barriers should be up at the front gate; drive straight on and follow the road around to the left - you are heading for Churchill building reception. Go straight on at the mini roundabout, bear left and park in the spaces on your left.

The main entrance is on the other side of a grassed area (path down the middle) and the door should open automatically.

If you arrive before 5pm a receptionist should be on duty and will be expecting you, if she has gone - go straight ahead, through the double doors, down the stairs and the microscope room is directly ahead of you.

Any problems on the day ring Abbey Vet Services 01626 353598 and leave a message.

The Bristol contact after 5pm will be 0117 331 9186.
